

2016 DGS Ski and Snowboard Club

February 5, February 19, March 4

This winter, the Denver Green School will provide students with the opportunity to learn and to enjoy skiing or snowboarding! In this packet, you will find all of the necessary information and registration materials. If your child would like to participate in this club, **you must meet the registration deadlines.** Loveland Ski Area requires our numbers in advance, so **we cannot accept late registrations.** Thank you for your cooperation and we look forward to taking your children to the slopes!

Date and Schedule

The DGS Ski and Snowboard Club will travel to Loveland Ski Area three Fridays this winter. The dates are February 5, February 19, and March 4. Students may attend all three dates or choose individual dates.

Below is our daily schedule. Times are subject to change depending on traffic and weather conditions.

7:45	Arrive at school. Check in with classroom teacher, then meet in gym.
8:15	Depart from DGS.
10-3:30	Lessons and lunch at Loveland.
5:15	Return to DGS for parent pick up

Transportation

Parents are responsible for their child's transportation to and from school. Students attending Ski and Snowboard Club must be picked up at 5:15pm from the school.

An Arrow Stage Lines coach bus will transport students between DGS and Loveland.

Supervision/Chaperones

Students will be placed into chaperone groups based on their lesson group. Upon arrival at Loveland, chaperones will help students get geared up and then escort their groups to their Loveland instructor. There will be chaperones and DGS staff members posted in the lodge and floating around the lifts to check on groups.

If you would like to be a chaperone, please indicate which days you can commit to on the registration form. Chaperones interested in skiing with the children, as opposed to staying in the lodge or at the lifts, will be able to purchase a discounted group rate lift ticket for \$37.
